1 day ago · Archipelago, a new book by the philosopher Édouard Glissant and the curator Hans Ulrich Obrist, proposes an escape from the traps of globalisation and nationalism with visions for a decentralized and interdependent world. Archipelago is a ready-to-hand tool for building new politics, societies, and institutions to be carried and shared.

17/11/2021 · Sally Mann: Vinculum Join Sally Mann at her studio in Lexington, Virginia. Filmed at work in her darkroom and within the surrounding landscape, she
discusses her exploratory approach to making and printing pictures, what draws her to the landscape of the American South, and her newest body of work, Vinculum.

Rem Koolhaas - OMA

06/12/2021 · Acclaimed composer Alvin Lucier, who explored the material properties of sound, died last week at the age of 90. While the “experimental” label is often overused, Lucier’s poetic yet scientifically inflected work often comprised actual experiments — whether amplifying his own brain waves, producing auditory maps with echolocation or teasing out the resonant
